

Nathaniel's Hope Caroling for Kids

Since Christmas Day in 1998, we have been committed to sharing hope and encouragement with patients, families, and caregivers at children's hospitals and with homebound VIP families on Christmas Day through caroling and bearing goodies and gifts.

Want to get involved?

Before Christmas we need:

- Large red and white candy canes
- Individual prepackaged Christmas cookies, crackers, or any snack item
- New small beanie babies
- Candy cane ornaments (craft instructions on our website)
- Volunteers to help prepare and wrap goodies for the big day
- Financial donations

On Christmas Day we need:

- Carolers to sing :) and join us Christmas day in the hospitals
- Carolers to visit homebound VIP families for "Caroling Caravan"
- Seasoned musicians to lead teams on guitar, keyboard, etc.

Kids with special needs are our VIPs!
