

## Nathaniel's Hope Christmas Day Caroling Caravan Info

- ❖ Please contact your VIP family before Christmas Day to confirm a good caroling time for you and your family, as well as their location. If there is a problem, please contact our office immediately.
- ❖ Feel free to invite extended family and friends to join you on the caravan. If you know someone who plays an instrument, invite them along! ☺
- ❖ We encourage you to wear Christmas colors or a Christmas hat to extend the holiday cheer!
- ❖ When you arrive, you may ring the bell and begin caroling. Please do not go into the home unless you are invited. You will sing carols outside so dress accordingly.
- ❖ Please take time to practice singing before you arrive. ☺ Extra songbooks are provided to invite your VIP family to participate with you. Be sure to ask for requests.
- ❖ If you or anyone else that is caroling with you is sick, please be sensitive in your distance to families. We do not want to jeopardize the wellness of the kids and their family.
- ❖ Remember that all disabilities may not be evident.
- ❖ Keep in mind that while some families might not appear to be in need, these economic times have challenged many and situations may not appear to be what they are.
- ❖ You are welcome to add to the goodies being delivered. Some families bring a small poinsettia, Christmas goodies or gift cards for the family. You may also find out from your VIP family if they have specific needs. Be sure to give the families the "Stories of Hope" book and candy canes for the kids (with permission).
- ❖ Please take a group photo of your caroling team as well as the family you are visiting (with permission). We would love to have you email us a copy!
- ❖ Before you go, we encourage you to take a moment and have a prayer with your VIP family.
- ❖ If you have questions or are unable to participate, please email them to [info@NathanielsHope.org](mailto:info@NathanielsHope.org) or call our office at 407-857-8224. Our offices will be closed on Christmas Eve and Christmas Day.

Our VIP friends are looking forward to your visit. We appreciate you keeping your commitment.

***Thank you for helping to share the "real" HOPE of Christmas with our VIP friends!  
Merry Christmas!***
