General Notes

- ❖ Wear Christmas colors and/or a Christmas hat.
- ❖ If you or anyone else that has registered with you gets sick before Christmas Day, please do not come. We do not want to jeopardize the patients and caregivers' wellness.
- ❖ Please do not go into the home unless invited. You will sing carols outside, so dress accordingly.
- ❖ If you are unable to participate or have questions, please email them to info@NathanielsHope.org since we will be checking email while the office is closed for the holiday.
- ❖ Please look at the Day-of information on our website. You'll find it at www.NathanielsHope.org. From the main page, scroll down and click on the Caroling for Kids link. You'll then see a menu button called Day-of Info. That will provide you with all the information you might need about what to expect.
