**\*Wheelchair Accessibility:** Because of the large number of children with special needs that are being invited to this event by Ballet South, we have been given specific instructions so that we can accommodate as many needs as possible.

**-Seating:** There are seats available for your child and your family if your child needs to remain in their wheelchair/stroller OR your child can transfer out of their wheelchair/stroller into a seat or lap. When you register, simply let us know what your preference is so we can assign you an appropriate seat. Every effort will be made to keep families together; however, it may be necessary to have one adult sit in the handicap section and the rest of the family sit in general seating.
